REMARKS

Claims 1-5 are canceled and claims 6-7 are added to more particularly point out and distinctly claim the subject matter which Applicant regards as the invention. Applicant notes that these claims 6 and 7 correspond to claims 49 and 50, which were added via a Preliminary Amendment filed on October 2, 2000, and withdrawn in reply to a Restriction Requirement mailed May 31, 2002 in the parent application, U.S. Application Serial No. 09/254,058. The Examiner is respectfully requested to take these amendments into consideration when examining this application.

Respectfully submitted,

CHEOL KIM
